 **CORAVIN** is unique in that it enables us to serve you some incredible wines by the glass without pulling the cork. By doing so, the natural ageing process is not disturbed and leaves the wine protected from oxygen, and therefore in perfect condition.

NORTH

PIEMONTE, LOMBARDIA, VENETO, ALTO ADIGE, FRIULI-VENEZIA GIULIA, TRENTINO

Better known for reds but don't let that fool you. Less about fruit and more about minerality and acidity, these wines really deliver on freshness. Intensity and complexity at the higher end helps establish these wines as some of the best in Italy.

CENTRAL

MARCHE, ABRUZZO, UMBRIA & LAZIO

A continuation of the elegance from the north but with more fruit character and diversity. Verdicchio is an Italian staple and the much-maligned Frascati is considered the Chablis of Italy when it's of this quality.

SOUTH & ISLANDS

PUGLIA, CALABRIA, CAMPANIA, MOLISE, SARDEGNA & SICILY

In the south the climate really starts to influence the style of the wine and in most cases these wines have wonderful fruit ripeness but also influence from the sea. Aromatic seafood dishes work wonderfully well with this style of wine.
